

CRYOKIT 400

Waterproof comfortable Cryogenic Gloves that offer dexterity in very low temperatures

SPECIFIC ADVANTAGES

Thermal protection

- Interior insulated polyester multilayer fleece provide protection in cryogenic environments

Comfort

- Inner Polyolefin Porelle membrane keeps hands dry while allowing air to flow
- Special elastic laminated blue fabric provide dexterity and comfort

Skin protection

- Suitable for applications handling liquid nitrogen and other cryogenic gases to protect from cold contact and prevent burns from liquid gas leakage.
