

Handling protection

# EXONIT 852

Impact resistant glove offering superior dexterity and grip in oily environment (Made with grip&proof technology). Reinforced with foam pads in the palm and nitrile crotch

## ERITYISIÄ ETUJA

### Impact protection

- Shock protection : specific areas are reinforced to bring cushioning protection and comfort where you need it (Upper thumb, Knuckles, Base fingers & Palm)

### Durability

- Crotch reinforcement for enhanced durability. It offers better productivity and optimizes your costs.

### Productivity

- Grip and Proof coating ensures an excellent grip in very oily environment . It also reduces muscle strain and boosts productivity

### Additional benefits

- Optimised individual packaging format so as to limit plastic waste
