

Handling protection

EXONIT 852

Impact resistant glove offering superior dexterity and grip in oily environment (Made with grip&proof technology). Reinforced with foam pads in the palm and nitrile crotch

SPECIFIC ADVANTAGES

Impact protection

- Shock protection : specific areas are reinforced to bring cushioning protection and comfort where you need it (Upper thumb, Knuckles, Base fingers & Palm)

Durability

- Crotch reinforcement for enhanced durability. It offers better productivity and optimizes your costs.

Productivity

- Grip and Proof coating ensures an excellent grip in very oily environment . It also reduces muscle strain and boosts productivity

Additional benefits

- Optimised individual packaging format so as to limit plastic waste

INDUSTRIES

- Automotive/mechanical industry
- Mechanical industry
- Construction Industry (Masons / Plasterers)
- Petroleum industry
- Transport
- Manufacturing
- Industrial equipment / Metal transformation
- Mining / Utilities / Transportation
- Industrial maintenance
- Installation of industrial equipments

APPLICATIONS

- Handling and installing metal structures
- Automotive assembly
- Handling metal parts
- Handling oily mechanical parts
- Handling untrimmed parts
- Machine tool manufacture
- Metal working
- Part assembly
- Handling bricks/blocks
- Installing steel structures
